CHAIRMAN'S INTRODUCTION

The basis for the regeneration at Maze Long Kesh remains the joint Ministerial statement of April 2009:

“We fully recognise the economic development potential of this site and we are committed to exploiting this potential to the full, particularly given the climate we now find ourselves in.”

I wish to take this opportunity to reaffirm that the entire Board of the Maze Long Kesh Development Corporation continue to be united in our commitment to our originating vision for the development of the site, “Peace to Prosperity”.

During this year the Board continued to keep under review the means of execution for our vision, as a basis for any discussions on moving forward. As previously indicated, this execution plan puts renewed emphasis on the role of Maze Long Kesh as the catalyst for development of the 3,500 acre West Lisburn area, which would be of considerable significance to the entire Region, and we continue to work closely with the Lisburn and Castlereagh City Council in this regard.

The Board remain concerned that we continue to manage the MLK site without an approved plan and, given such circumstances, our key focus has been on health and safety matters, as directed by the Accounting Officer at the Executive Office.

Meanwhile, having now established Balmoral Park as a major event venue, as the annual Balmoral Show continues to grow and thrive and the EIKON exhibition and event facility is further developed and brought into extensive use, we have been working in partnership with the Royal Ulster Agricultural Society to create a portfolio of sustainable year-round activity at the Maze Long Kesh site.

During the latter part of the financial year we received formal approval from the First Minister and deputy First Minister to enter into an Agreement with Air Ambulance NI to develop and mobilise a facility at Maze Long Kesh and are now finalising the necessary negotiations.

Placing the highest priority upon ensuring good governance, we were pleased to again secure unqualified accounts for the year-ended 31 March 2017 and satisfactory assurance from a range of internal audit reports and we can confirm that we have responded to challenging in-year reductions to our budget by securing the necessary savings and achieving all our end-of-year expenditure targets. Meanwhile, we can confirm that we conduct regular assessments of risks and their mitigation.

During the year the Board continued to be well supported and advised by our Interim Chief Executive, Kyle Alexander, and his highly professional management team and, despite the difficulties and uncertainties surrounding the site, it is testament to their skills and dedication that progress in managing the site in preparation for its future development continues.

In what has been for us yet another challenging year, I wish to take this opportunity to formally acknowledge the continuing support and commitment of my fellow board members to our shared vision for the Maze Long Kesh site and wish to place on record our thanks for the guidance and support given by officials from The Executive Office.

**Terence Brannigan
Chairman**

08 December 2017

OVERVIEW

The purpose of this overview is to provide a summary of information with respect to the Maze Long Kesh Development Corporation (MLKDC), its purpose, the key issues and risks that potentially impact on MLKDC's achievement of its objectives, and how it has performed during the year ended 31 March 2017.

Chief Executive's Statement

Joining the Maze Long Kesh Development Corporation (MLKDC) as Interim Chief Executive at the start of April 2017, I was very aware of the legacy of our former Chief Executive, Kyle Alexander OBE, who retired at the end of March 2017. Kyle is highly respected and has had a long association with Maze Long Kesh, firstly leading the Programme Delivery Unit after the site was transferred to the Northern Ireland Executive, and then as Chief Executive when the Corporation was established in 2012. I would like to acknowledge his dedication in creating a solid foundation, despite the challenges, from which Maze Long Kesh can grow. He is a hard act to follow, and will be sorely missed. We wish him well in his retirement.

In the short time since joining the Corporation, I have been hugely impressed by the commitment of and strategic direction provided by the Board, and the support and professionalism of our staff. For both, I am extremely grateful. I would also like to place on record my thanks to The Executive Office (TEO), officials for their guidance and support in negotiating the perils and pitfalls of the public sector processes.

In terms of our performance, this has been a year of significant challenge and limited opportunity for MLKDC, given the constraints within which we, as an executive Non Departmental Public Body (NDPB), currently operate. These parameters, set by our sponsor department, TEO, reflect the ongoing lack of Ministerial agreement on the future development of the site, and the ongoing pressures on the public purse, which saw a further reduction in our budget for the year.

It is against that background that I am pleased to report that the Corporation has continued to fulfil its responsibilities. Careful management enabled us to prioritise our activities and achieve our end of year expenditure targets, and twenty three out of twenty four business plan targets have been met.

It has also been great to see the increasing activity on the site, with the growth in visitors to the Balmoral Show and other events organised by the Royal Ulster Agricultural Society (RUAS), and the steadily increasing collection of the Ulster Aviation Society (UAS). The newly established presence of the Air Ambulance NI (AANI) on site strengthens the emergency medical response to incidents across the Province, to the benefit of the whole community, and further reinforces the significance of Maze Long Kesh.

In looking forward, I recognise it is impossible to overstate the importance of securing agreement on the way forward for the site. I am committed to continuing the Corporation's engagement with our stakeholders to ensure that the future regeneration of Maze Long Kesh recognises both its history and enables its true potential to be realised.

The Purpose and Activities of MLKDC

MLKDC is a Statutory Body under the Strategic Investment and Regeneration of Sites (NI) Order 2003, hereafter referred to as the SIRS Order. Legislation¹ establishing the Corporation was made on 1 June 2011 and the Corporation became operational on the appointment of a Chairman and a Board on 10 September 2012. MLKDC functions as an executive NDPB, sponsored by TEO.

The object of the Corporation as defined in the SIRS Order, under Article 16, is to '*secure the regeneration of the site*' - to be achieved by the following means, as appropriate to the site:

- (a) bringing land and buildings into effective use;
- (b) encouraging public and private investment and the development of industry and commerce;
- (c) creating an attractive environment; and
- (d) ensuring that social, recreational, cultural and community facilities are available.

Following the establishment of MLKDC early activities and achievements included:

- Publication of a Spatial Framework to aid future development;
- Ground remediation to address legacy ground contamination issues; and
- Relocation of the Balmoral Show to Maze Long Kesh, with the development of 55 acres as a showgrounds facility by the RUAS.

However, since August 2013, with the lack of Ministerial agreement on the future development of the site, the activities of MLKDC have been guided by the parameters set by TEO. These have largely limited activities to essential maintenance and Health & Safety works, to maintain the site in fulfilment of our statutory responsibilities, as landowner and landlord.

In these circumstances the requirement for a Corporate Plan has been suspended. MLKDC activities have therefore been formulated on the basis of an annual Business Plan and supporting Action Plan. The objectives as set out in the 2016-17 Business Plan are as follows:

- To bring forward and secure Ministerial agreement to a regeneration strategy that is in compliance with the Corporation's statutory objective to secure the regeneration of the site and maximises the site's economic, historic and reconciliation potential;

¹ *The Strategic Investment and Regeneration of Sites (Maze/Long Kesh Development Corporation) Order (Northern Ireland) 2011*

- To fulfil our statutory and landowner responsibilities in relation to site management, health and safety, and the maintenance of listed and retained buildings and scheduled monuments;
- To honour our Development Agreement obligations to support RUAS in their use of their Balmoral Park site; and
- To ensure the Corporation fulfils its corporate responsibilities with good governance, propriety and regularity during this interim phase of activity.

In addition to essential maintenance and Health and Safety works, MLKDC continued to support RUAS in the phased development of their showgrounds (now known as Balmoral Park), as provided for under the Development Agreement between the parties. This saw the opening of the EIKON exhibition and event centre in December 2015, the first new building to be constructed on the site, which now hosts a range of events throughout the year.

In addition, AANI engaged with MLKDC during 2016, as they sought to identify a suitable base for Northern Ireland's first ever Helicopter Emergency Medical Service (HEMS). On 17 November 2016 the First Minister, Arlene Foster, and deputy First Minister, Martin McGuinness, announced that they would make land available at MLK for the AANI. On 01 March 2017, the Health Minister, Michelle O'Neill, announced that the doctor led HEMS Air Ambulance Service contract had been approved, and that it would be based at MLK. The AANI service went live in July 2017.

Principal Risks and Uncertainties

Risk is managed proactively by MLKDC through a systematic process of identification and mitigation, and elimination, where possible. There are however two key risks that are impacting, or have the potential to impact on MLKDC's ability to deliver on its statutory and business plan objectives. These are as follows:

- Compliance with MLKDC's statutory objective to regenerate the site, due to the lack of ministerial agreement on the way forward. As a result, MLKDC is operating within parameters defined by TEO, which basically limit MLKDC's activities to essential Health and Safety and maintenance works, and site security; and
- Budgetary constraints, both in terms of resource and capital budgets, have the potential, going forward, to impact on MLKDC's fulfilment of its statutory responsibilities, as landowner and landlord, including with respect to Health and Safety.

Going Concern

TEO have confirmed that there are no plans to dissolve MLKDC. It is therefore appropriate to prepare the 2016-17 accounts on a going concern basis.

Performance Summary

During the year MLKDC monitored and reviewed its performance against a set of Business Plan targets that were developed during the annual business planning process. At 31 March 2017 twenty three of the twenty four targets set for 2016-17 were achieved. Further details on performance can be found at page 7.

Dr Bryan Gregory
Interim Chief Executive

08 December 2017

PERFORMANCE ANALYSIS

Introduction

MLKDC is financed from TEO's Departmental Expenditure Limit (DEL) for normal operating costs and TEO's Annually Managed Expenditure (AME) for impairments of assets. During the year MLKDC has used a range of methods of performance monitoring, such as financial reporting, business plan monitoring (aligned to the 2016-17 Business Plan Objectives) risk registers and assurance statements.

Financial Performance

Statement of Comprehensive Net Expenditure

Total expenditure for the year excluding asset impairment, depreciation and amortisation has decreased by £0.033m from £1.266m to £1.233m. This decrease is due to budget restrictions imposed in year and the subsequent lower level of site activity in year.

Asset impairment, depreciation and amortisation has decreased by £0.121m from £0.181m to £0.06m. This was primarily due to the effect of the year end revaluation. A profit on transfer of land to RUAS of £0.043m was recognised in the reporting year.

Statement of Financial Position

Non-current assets at the year-end were £6.954m, an increase of £0.273m on 2015-16. This increase was due to routine asset additions.

Total current assets were £0.213m at year-end, compared with £0.362m last year. This was mainly due to a decrease in cash held at the year-end. Total current liabilities were £0.185m compared to £0.291m last year due to the limited activity on site.

Financial Highlights for the Period

This period saw the bedding in of a previously established suite of Policies and Procedures that address areas of risk as well as operational efficiency and effectiveness of the Corporation. This resulted in an overall Satisfactory assurance rating in the areas examined by Internal Audit and Certification of 2015-16 MLKDC Financial Statements by Northern Ireland Audit Office (NIAO).

Long-term Expenditure Trends

Resource and capital spend since inception² of MLKDC was as follows:

Non-Financial Performance

Business Plan Monitoring

Key priorities for the Corporation are identified in the annual Business Plan for 2016-17 and align to the following objectives:

- To bring forward and secure Ministerial agreement to a regeneration strategy that is in compliance with the Corporation's statutory objective to secure the regeneration of the site and maximises the site's economic, historic and reconciliation potential;
- To fulfil your statutory and landowner responsibilities in relation to site management, health and safety, and the maintenance of listed and retained buildings and scheduled monuments;
- To honour your Development Agreement obligations to support RUAS in their use of the Balmoral Park site; and
- To ensure the Corporation fulfils its corporate responsibilities with good governance, propriety and regularity during the interim phase of activity.

To support the achievement of these objectives twenty four Business Plan targets were identified in the 2016-17 Business Plan. The achievement of targets was monitored throughout the year and performance was reported to the Board and TEO quarterly.

² The transactions for 2012-13 are for seven months from September 2012 to March 2013

Their progress at 31 March 2017 was as follows:

- 23 were completed at year-end; and
- 1 had progressed less than planned, this target was to engage in discussions with Ministers and their advisors to explore the reaching agreement on a refreshed vision and an agreed regeneration strategy by October 2016. To date this engagement and discussions have not taken place.

These business plan targets were time bound and measurable activities used to assess performance and delivery of the strategic objectives.

Freedom of Information

As a Public Authority, MLKDC is committed to openness and transparency through compliance with the Freedom of Information Act 2000. MLKDC has an explicit control system to meet its responsibility under Freedom of Information. The control system has been established to ensure appropriate handling of data and information used for operational and reporting purposes.

In 2016-17 MLKDC received four Freedom of Information requests and responded to them within the 20 day deadline.

Information Assurance and Management

MLKDC completed the 2016-17 Departmental Security Health Check (DSHC) to confirm compliance with the Department's protective security policies. No areas of significant security or information risks to MLKDC were identified in the annual review.

Complaints Handling

MLKDC is required to disclose its approach to complaints handling. MLKDC seeks a positive public perception of its aims and activities. It is open and responsive to suggestions about and criticism of the ways it conducts its business. To this end, any complaint received will be treated courteously, promptly and effectively, on a confidential basis.

MLKDC has a complaints policy and procedure for dealing with complaints from the Public or other third parties available on request.

MLKDC did not receive any complaints in 2016-17 or 2015-16.

Payments to Suppliers

MLKDC is committed to the prompt payment of bills for goods and services received in accordance with the Late Payment of Commercial Debts (Interest) Act 1998. Unless otherwise stated in the contract, payment is due within 30 days of the receipt of the goods or services, or presentation of a valid invoice or similar demand, whichever is later.

During 2016-17 MLKDC paid 100% (2015-16: 100%) of its invoices within this standard. DAO (DFP) 04/13 states that public sector organisations should pay suppliers wherever possible, within 10 working days. During 2016-17 MLKDC paid 100% (2015-16: 100%) of its invoices within the 10 working day target.

Equality

MLKDC has a statutory obligation under Section 75 and Schedule 9 of the Northern Ireland Act 1998 to ensure that it carries out its various functions having due regard to the need to promote equality of opportunity between nine social categories, including persons of different religious belief, political opinion, racial group, age, marital or civil partnership status, sexual orientation, gender (including gender reassignment), persons with/without a disability or persons with/without dependants. It is also required to have regard to the desirability of promoting good relations between persons of different religious belief, political opinion, or racial group.

These statutory duties are implemented through the Corporation's Equality Scheme and Action Plan which shows how MLKDC proposes to fulfil these duties. MLKDC is committed to screening all relevant policies and projects for equality impact assessment and to publicise our work in this regard. The Equality Scheme gained approval from Equality Commission Northern Ireland (ECNI) in December 2013 and is due for review with in 2018. MLKDC prepares and submits an annual Section 75 progress report for ECNI which is due every August.

An Equality Steering Group has been set up to ensure ongoing compliance in this area. This group, chaired by the Chief Executive, meets quarterly and reports to the Senior Management Team (SMT) and to the Board.

Disability Action Plan

MLKDC is committed to ensuring that it promotes positive attitudes towards people with a disability and encourages participation by disabled people in public life when it is in a position to do so. The organisation's policies and practices comply with the requirements of the Disability Discrimination Act 1995. The organisation consulted on its new Disability Action Plan between July and September 2016 and it has also been subject to review as part of the annual Section 75 progress report.

Environmental, Social and Community Responsibility

MLKDC is committed to the promotion of environmental, social and community responsibility and works closely with local residents regarding the traffic management plans for events on the MLK site.

Health and Safety

MLKDC is committed to applying all existing health and safety at work legislation and regulations to ensure staff and visitors enjoy the benefits of a safe environment.

Principal Risks and Uncertainties

The Governance Statement sets out our approach to the management of the significant risks and uncertainties facing the Corporation.

Sustainability Report

MLKDC is committed to ensuring that sustainable development becomes an integral part of our business. Sustainability measures will include:

- Waste management – reduction, recycling and re-use;
- Sustainable drainage systems; and
- Reducing our contribution to climate change in terms of energy consumption and related CO2 emissions.

**Dr Bryan Gregory
Interim Chief Executive and Accounting Officer**

08 December 2017

CORPORATE GOVERNANCE REPORT

The purpose of the corporate governance report is to explain the composition and organisation of MLKDC's governance structures and how they support the achievement of MLKDC's objectives.

DIRECTORS' REPORT

The Board presents the Corporate Governance Report and the Financial Statements for the year ended 31 March 2017.

MLKDC Board

The Board supports the delivery of effective Corporate Governance and operates within best practice guidelines set out in the '*Corporate Governance Code of Good Practice (NI) issued under DAO (DFP) 06/13 in April 2013*'. The Board takes an objective long-term view of the business of the organisation, leading its strategic planning process and supporting the Accounting Officer in meeting their corporate governance responsibilities. The Board is supported by senior management team.

During 2016-17 the MLKDC Board and Committees comprised of the following members:

Board Members	Committees
Terence Brannigan (Chairman)	Appointments and Remuneration, Peace Building and Reconciliation Committee, Physical and Economic Development Committee.
Kenneth Cleland	Communications Committee, Peace Building and Reconciliation Committee, Physical and Economic Development Committee.
Anthony Gallagher	Audit and Risk Assurance Committee, Communications Committee, Peace Building and Reconciliation Committee.
John Gallagher	Appointments and Remuneration Committee, Audit and Risk Assurance Committee, Social Impact Committee.
Maurice Kinhead	Appointments and Remuneration Committee, Social Impact Committee.

Board Members	Committees
Ciaran Mackel	Audit and Risk Assurance Committee, Communications Committee, Peace Building and Reconciliation Committee, Physical and Economic Development Committee.
Duncan McCausland	Audit and Risk Assurance Committee, Peace Building and Reconciliation Committee.
Joe O'Donnell	Peace Building and Reconciliation Committee, Social Impact Committee.
Conor Patterson	Physical and Economic Development Committee, Social Impact Committee.
Terri Scott	Appointments and Remuneration Committee, Communications Committee, Physical and Economic Development Committee.

During 2016-17 the MLKDC Senior Management team was comprised of the following members:

Chief Executive and Senior Management	
Kyle Alexander*	Interim Chief Executive (from 1 April 2016 to 31 March 2017)
Neil McIvor	Director of Development
Alison Stafford	Director of Finance and Corporate Services ³
Ceara Ryan	Acting Director of Finance and Corporate Services ³ (from 01 April 2016 to 16 December 2016 & 30 January 2017 to 6 March 2017)

*Dr Bryan Gregory joined MLKDC as the Interim Chief Executive on 01 April 2017 on Mr Kyle Alexander's retirement.

Register of Interests

No member of the Board or Senior Management Team held any position outside MLKDC which may have conflicted with their management responsibilities. The register of interests is available for public inspection by contacting MLKDC, 94 Halftown Road, Lisburn, BT27 5RF.

³ The position of Director of Finance and Corporate Services was filled on a job share arrangement during part of this financial year.

Personal Data Related Incidents

There were no personal data related incidents reported during the year.

Political Donations and Expenditure

MLKDC did not make any political donations in this financial year.

Events after the Reporting Period

There were no material events after the reporting period to disclose as defined by IAS 10.

Auditors

The Comptroller and Auditor General is the external auditor of MLKDC. There were no payments made to the NIAO in year in respect of non-audit work (2015-16: Nil).

STATEMENT OF ACCOUNTING OFFICER'S RESPONSIBILITIES

Under Section 13(1) of the Government Resources and Accounts Act (Northern Ireland) 2001 and the Strategic Investment and Regeneration of Sites (NI) Order 2003, TEO (with approval from Department of Finance (DoF)) has directed MLKDC to prepare, for each financial year, a statement of accounts in the form and on the basis set out in the Accounts Direction. The accounts are prepared on an accruals basis and must give a true and fair view of the state of affairs of MLKDC and of its income and expenditure, application of resources, changes in taxpayers' equity and cash flows for the financial year.

In preparing the accounts, the Accounting Officer is required to comply with the requirements of the *Government Financial Reporting Manual* and in particular to:

- Observe the Accounts Direction issued by TEO with the approval of DoF, including the relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgements and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in the Government Financial Reporting Manual have been followed, and disclose and explain any material departures in the accounts; and
- Prepare the accounts on a going concern basis.

The Accounting Officer of TEO has designated the Interim Chief Executive as the Accounting Officer of MLKDC. The responsibilities as an Accounting Officer, including responsibility for the propriety and regularity of the public finances for which the Accounting Officer is answerable, for keeping proper records and for safeguarding assets, are set out in *Managing Public Money Northern Ireland (MPMNI)* published by DoF.

As Accounting Officer, I can confirm that there is no relevant audit information of which the auditors are unaware. I have taken all the steps that I ought to have taken to make myself aware of any relevant audit information and to establish that the auditors are informed of it.

As Accounting Officer, I can confirm that the annual report and accounts as a whole is fair, balanced and understandable and that I take personal responsibility for the annual report and accounts and the judgments required for determining that it is fair, balanced and understandable.

GOVERNANCE STATEMENT

Introduction

This Statement is given in respect of MLKDC's Accounts for 2016-17 and comprises two broad elements. Firstly, the Statement sets out the governance framework, identifying responsibilities and explains the functions of its constituent elements. Secondly, the Statement reports my assessment as Accounting Officer of the effectiveness of the framework during the reporting period.

The Purpose of the Governance Framework

The purpose of the Governance Statement is to report publicly on the extent to which MLKDC complies with its code of governance, including how it has monitored and evaluated the effectiveness of governance arrangements in the period. The process of preparing the governance statement itself adds value to the effectiveness of the corporate governance and internal control framework.

Overview of the Governance Framework

The governance framework comprises the systems, processes, culture and values, by which MLKDC is directed and controlled.

The system of internal control is a significant part of this framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk with respect to achieving MLKDC's aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness.

The governance framework described below has been in place in MLKDC during the year ending 31 March 2017. It comprises:

- The Board;
- The Accounting Officer;
- The Audit and Risk Assurance Committee;
- The Internal Audit function; and
- The External Audit function.

These organisational structures, together with an overview of their responsibilities and performance in the period, are explained in the relevant sections below.

The framework also includes a number of additional elements that contribute to the effective governance of the organisation.

These comprise:

- The Appointments & Remuneration Committee;
- The Management Statement and Financial Memorandum;
- TEO Oversight Arrangements;
- The Corporate and Business Plans;
- Performance Management;
- Financial Policies and Procedures;
- The Risk Management Framework;
- The Fraud Prevention Strategy; and
- Whistle Blowing Arrangements.

The Board

The membership of MLKDC (the Board), as defined under the *Strategic Investment and Regeneration of Sites (Maze/Long Kesh Development Corporation) Order (Northern Ireland) 2011*, comprises of a non-executive Chairman, and ten other non-executive members.

The Board supports the delivery of effective Corporate Governance and operates within best practice guidelines set out in the ‘*Corporate Governance Code of Good Practice (NI) issued under DAO (DFP) 06/13 in April 2013*’. The Board takes an objective long-term view of the business of the organisation, leading its strategic planning process and supporting the Accounting Officer in meeting their corporate governance responsibilities.

Under the general guidance and direction of TEO Ministers, the key aspects of the Board’s role, as outlined in the MSFM, include:

- Establishing the overall strategic direction of the Corporation within the policy and resources framework determined by the Ministers and TEO;
- Constructively challenging the Corporation’s executive team in their planning, target setting and delivery of performance;
- Ensuring that TEO is kept informed of any changes which are likely to impact on the strategic direction of the Corporation or on the attainability of its targets, and determine the steps needed to deal with such changes;
- Ensuring that any statutory or administrative requirements for the use of public funds are complied with; that the Corporation operates within the limits of its statutory authority and any delegated authority agreed with TEO, and in accordance with any

other conditions relating to the use of public funds; and that, in reaching decisions, the Corporation takes into account all relevant guidance issued by DoF and TEO;

- Ensuring that the Members receive and review regular financial information concerning the management of the Corporation; the Members are informed in a timely manner about any concerns about the activities of the Corporation; and the Members provide positive assurance to TEO that appropriate action has been taken on such concerns; and
- Demonstrate high standards of corporate governance at all times, including using the Audit Risk and Assurance Committee to help the Members to address the key financial and other risks facing the Corporation.

In addition the Board is also responsible for overseeing and monitoring the Corporation's progress against all of its equality of opportunity and good relations obligations.

The Board is required to act in accordance with the responsibilities assigned to it in the *Corporate Governance Code of Good Practice (NI)* and MPMNI.

The Board operates as a collegiate forum under the leadership of the Chair. It ensures that the appropriate strategic planning processes are in place and that there is effective operational management of their implementation. The Board operates in an advisory and consultative capacity, offering guidance when sought. Day-to-day operational matters are the responsibility of the Accounting Officer and that of the senior management team. The Board does not direct how MLKDC's business should be run, unless in exceptional circumstances, of which none occurred in this reporting period.

The Standing Orders of the Board make clear the Board's responsibility to establish and oversee the organisation's Corporate Governance arrangements. Notwithstanding this, all tiers of management have commensurate responsibilities for ensuring that good governance practices are followed within the organisation.

Each Non-Executive Board Member participates in the high-level corporate decision-making process as a member of the Board, contributes to corporate governance arrangements within the organisation and supports the roles of Chief Executive and Accounting Officer.

The Chief Executive is responsible for organising the agenda for Board meetings and ensuring the Chair and Board members are provided with timely information to support full discussion at each meeting.

The Board receives written reports at each meeting from the Chief Executive and also receives a financial and budget monitoring report from the Director of Finance and Corporate Services.

The Chief Executive provides reports on the status of supported projects; and quarterly reports on the delivery of business plan objectives. The Director of Finance and Corporate Services provides reports on: expenditure against plan; resource inputs by project; absence management; recruitment and equality.

The Board maintains a register of interests. This lists for each member all commercial and other relevant interests. A similar register is maintained by senior staff in MLKDC. The lists are updated annually but Members and staff are required to report significant changes as they occur.

Each Board and committee meeting begins with those present declaring any conflicts of interest that may arise from agenda items. The Standing Orders for the Board set out how such conflicts should be managed should they arise. These Orders require a Member with a conflict of interest to withdraw from any discussion of the relevant matter and to abstain from any associated vote.

From 1 April 2016 to 31 March 2017 the Board held 7 meetings, the members and their record of attendance was as follows:

Members⁴	Meetings Attended	Possible Attendance
Terence Brannigan	7	7
Kenneth Cleland	2	7
Anthony Gallagher	5	7
John Gallagher	5	7
Maurice Kinkead	5	7
Ciaran Mackel	7	7
Duncan McCausland	7	7
Joe O'Donnell	4	7
Conor Patterson	6	7
Terri Scott	5	7

The Board received reports on the status of projects for the site; financial management information; budget monitoring; human resources issues and quarterly reports on the delivery of Business Plan objectives. All reports/papers conform to a standard layout to ensure the appropriate focus on key issues. Financial and performance data is extracted from accounting and operational systems and is therefore subject to regular, planned internal quality assurance checks, verification visits, independent audits, external assurance (for example from the Northern Ireland Audit Office).

⁴ One vacancy existed on the Board in 2016-17.

The Board considers the information provided to be sufficient to allow it to discharge its strategic planning and corporate governance responsibilities.

A review of effectiveness of the Board was carried out in 2016-17. Strengths identified were in the areas of understanding of the core business and strategic direction of the organisation and governance. Areas noted were in respect of the lack of Ministerial agreement which prevents the Board from achieving its core objectives. The Board were reappointed for a further year effective from 10 September 2017. The Board have reviewed their time commitment and have reduced the number of meetings for the incoming year to five with remuneration adjusted accordingly.

The Accounting Officer

The Accounting Officer has responsibility for maintaining a sound system of internal governance that supports the achievement of MLKDC's aims and objectives. The Accounting Officer also has responsibility for the propriety and regularity of the public finances allocated to MLKDC and for safeguarding public funds and assets, in accordance with the responsibilities assigned to them in the Corporate Governance Code and MPMNI.

The Accounting Officer functions with the support of the MLKDC Board. This includes highlighting to the Board specific business risks and, where appropriate, measures that could be employed to manage these risks.

Board Committees

The Board operates the following committees;

- Audit and Risk Assurance Committee;
- Appointments and Remuneration Committee;
- Communications Committee;
- Peace Building and Reconciliation Committee;
- Physical and Economic Development Committee; and
- Social Impact Committee.

All appointments to the Committees are agreed by the Chairman. Members are provided with the terms of reference of the Committee.

The Audit and Risk Assurance Committee

The Audit and Risk Assurance Committee's terms of reference set out its purpose as being to support the Accounting Officer in monitoring risk, control and governance systems (including financial reporting). Additionally the Committee will advise the Board and the Accounting Officer on the adequacy of audit arrangements (internal and external) and on the implications of assurances provided in respect of risk and control. The Audit and Risk Assurance Committee does not have executive powers.

The Audit and Risk Assurance Committee and its Chair are appointed by the Board from amongst its non-executive members. The committee also has an external independent member appointed from within a pool of candidates provided by TEO.

The Committee met four times during 2016-17. A minimum of two members of the Committee is required to form a quorum. All meetings in 2016-17 were quorate.

In addition to its members, the following normally attend meetings of the Committee:

- The Accounting Officer;
- The Director of Finance and Corporate Services;
- The Internal Auditor;
- The External Auditor; and
- A representative of TEO.

In line with best practice set out in the Department of Finance Audit and Risk Assurance Committee Handbook (NI), the Chair of the Audit and Risk Assurance Committee approves an agreed agenda of work for its meetings, which will include:

- The review of the corporate risk register;
- Scrutiny of the annual accounts;
- Review of Assurance Statements;
- Consideration of internal and external audit strategy;
- Review of internal and external audit findings;
- Consideration of fraud;
- Consideration of any Directly Awarded Contracts;
- Consideration of DAO letters;
- Monitoring of implementation of audit recommendations;
- Business Case Updates; and
- Departmental Matters.

MLKDC provided regular reports to the committee on business planning, risk management and assurance alongside the development of policies and procedures for the Corporation.

In addition to its core work programme the Audit and Risk Assurance Committee also scrutinises the Annual Report and Accounts advising on the content of the Governance Statement.

In this financial year the Audit and Risk Assurance Committee also considered and commented on individual issues of internal governance and their implications for wider governance arrangements.

The Committee Chairman reports after each meeting to the Board on any significant issues that have arisen. He, on behalf of the Committee, reports in writing once a year to the Accounting Officer and

the Board on the findings and conclusions of the Committee for the past year. The Chairman's annual report for this period was presented, and accepted by, the Board in August 2017. The Committee reviews its own effectiveness annually. The Committee Chairman reviews the effectiveness of its members and reports on this to the Board Chairman annually.

Sources of Independent Assurance

Independent Assurance is received from the following sources:

- Internal Audit; and
- Northern Ireland Audit Office.

The primary role of Internal Audit is to provide the Accounting Officer and the Board with an independent and objective opinion on risk management, control and governance, by measuring and evaluating their effectiveness in achieving the organisation's agreed objectives. Internal Audit provides independent assurance by giving an independent opinion on the adequacy and effectiveness of MLKDC's system of internal control to the Accounting Officer and to the Audit and Risk Assurance Committee.

MLKDC's internal audit services are provided by ASM, a representative of which attended all MLKDC Audit and Risk Assurance Committee meetings.

The Accounting Officer is independently advised by the Head of Internal Audit who operates in accordance with Public Sector Internal Audit Standards (PSIAS).

Internal Audit has played a crucial role in the review of effectiveness and risk management controls and governance in MLKDC by:

- Focusing audit activity on the key business risks;
- Being available to guide managers and staff through improvements in internal controls; and
- Auditing the application of risk management and control as part of Internal Audit reviews of key systems and processes.

In 2016-17 ASM undertook five reviews covering the period of this governance statement:

- | | |
|---|--------------|
| • Payroll and travel expenses
(Including gifts and hospitality) | SATISFACTORY |
| • Corporate governance and risk management
(Including complaints handling) | SATISFACTORY |
| • Compliance with the requirements of the MSFM | SATISFACTORY |
| • Procurement and contract management | SATISFACTORY |
| • Follow Up Review (see below) | SATISFACTORY |

Follow up Review: Internal Audit also completed a review of recommendations from previous reports. This review concluded that of the ten recommendations reviewed, nine had been fully implemented, and one was no longer applicable.

The internal auditor's overall assurance rating for 2016-17 was 'SATISFACTORY'.

MLKDC is also subject to independent scrutiny from the Northern Ireland Audit Office. The Audit Office is independent of Government and is tasked by the Assembly to hold Northern Ireland Departments and their Agencies to account for their use of public money. The Comptroller and Auditor General works closely with the Assembly's Public Accounts Committee which can require Accounting Officers and senior officials to account for their actions in relation to the management of public funds.

Other Board Committees

The Appointments and Remuneration Committee met twice in the reporting period and the Physical and Economic Development and Communications Committees both met once.

Board Effectiveness

The evidence presented in the preceding sections provides me, as Accounting Officer, with the assurance that the Board operates effectively.

The Management Statement and Financial Memorandum (MSFM)

The MSFM is a key control document. The Management Statement sets out the broad framework within which MLKDC operates, in particular it defines:

- MLKDC's overall aim, objectives and targets in support of TEO's wider strategic aims and current Public Service Agreement (PSA);
- The rules and guidelines relevant to the exercise of MLKDC's functions, duties and powers;
- The conditions under which any public funds are paid to MLKDC; and
- How MLKDC is to be held to account for its performance.

The associated Financial Memorandum sets out in greater detail certain aspects of the financial provisions which MLKDC is required to observe, including delegated financial authorities.

TEO Oversight Arrangements

Within TEO, the Infrastructure Division (ID) is the sponsoring Division for MLKDC. ID, in consultation as necessary with TEO's Accounting Officer, is the primary source of advice to Ministers on the discharge of their responsibilities in respect of MLKDC, and the primary point of contact for MLKDC in dealing with the Department. ID carries out their duties under a senior officer with primary responsibility of overseeing the activities of MLKDC.

In order to discharge its duties on behalf of the sponsor Department, ID administers the following oversight controls:

- Quarterly Assurance Statements (see below);
- Quarterly Performance Reports (to a format set out in the MSFM);
- Monthly Financial Monitoring Reports (in a standard format);
- Annual Verification visit; and
- Quarterly Accountability and Oversight Meetings (attended by myself as the Chief Executive and senior MLKDC staff).

The Quarterly Assurance statement, prepared under the direction of the Accounting Officer, with the agreement of the Senior Management Team, and signed as Chief Executive, provides information and assurance in all areas of business planning and corporate and financial governance. During the reporting period on the request of the Department the following documents have been submitted:

- Quarterly Assurance Statements;
- Quarterly ALB Reports;
- Monthly Resource Consumption returns; and
- 2017-18 Business Plan as required by the MSFM.

The Chief Executive has attended, with senior staff, Quarterly Accountability Meetings with senior staff from the Department. Senior MLKDC staff and I have operated a 'no surprises' policy in respect of ensuring that officials in the Department are aware of all material events, transactions and other issues that could be considered contentious or attract public comment, whether positive or negative.

In August 2017 ID conducted an annual Verification Visit in line with their Sponsorship Manual. This verification visit concentrated on expenditure incurred by MLKDC in 2016-17, to provide assurance that this expenditure was in accordance with the requirements of the Management Statement Financial Memorandum (MSFM) and the draft 2016-17 Business Plan. During the visit the drawdown process was also examined, testing was carried out on two retrospective claims to ensure compliance with the sponsorship handbook.

The verification visit concluded that all transactions tested:

- Had appropriate Business Case approval in accordance with the requirements of the MSFM;
- Were processed with full segregation of duties; and
- Were approved in accordance with internal delegation limits.

No issues were found with the tests carried out.

The Corporate and Business Plans

The Corporate and Business Plans are designed to be the main planning documents for MLKDC. The purpose of the Corporate Plan is to set out the medium term objectives for MLKDC and describe the corporate strategy it will follow to achieve them. The annual Business Plan develops the Corporate Plan by defining in detail MLKDC's targets for the year ahead, the resources it will employ and the activities it will undertake.

However given the lack of Ministerial agreement that presently exists in respect of future development of the Maze Long Kesh site, MLKDC have received approval from TEO that dispenses with the requirement for a three year Corporate Plan for this period. MLKDC has progressed with the annual Business Plan which details MLKDC's objectives and targets for the year ahead. This document describes the outcomes and the outputs MLKDC will deliver using the resources MLKDC has been allocated.

The Business Plan is drafted by the Chief Executive with input from the Board, Senior Management Team and key stakeholders. The plan is considered in draft by the MLKDC Board and TEO. Once approved by both the Board and TEO it is presented to Ministers for approval and then passed to DoF.

On 30 January 2016, the draft Business Plan for 2016-17 was completed and forwarded to TEO for approval. Approval from Ministers is awaited. The draft Business Plan for 2017-18 was also submitted to TEO on 31 January 2017, this has subsequently been revised in line with the PFG outcomes and indicators and resubmitted on 23 June 2017. Approval from Ministers is awaited.

Performance Management

MLKDC's performance is monitored against the targets set out in its draft Business Plan and these are reported quarterly to TEO. The Board and TEO have been provided with reports on the status of supported projects; delivery of business plan objectives; expenditure against plan; resource inputs by project; absence management; recruitment; and communications.

The quality of data reported to the Board is inspected by the Chief Executive and the Board are satisfied with the quality of information provided to them.

Financial Management

Responsibility for ensuring that an effective system of internal financial control is maintained and operated rests with the Accounting Officer. The systems of internal financial control provide reasonable and not absolute assurance that assets are safeguarded, that transactions are authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected within a timely period.

Internal financial control is based on a framework of management information, financial regulations and administrative procedures, which include the segregation of duties, management supervision and a system of delegation and accountability.

MLKDC has established Financial Policies and Procedures that address areas of risk as well as operational efficiency and effectiveness. These documents act as a reference point detailing all Financial Policies and Procedures.

MLKDC has developed, in consultation with its sponsor Department, a suite of other policies, processes and procedures that cover the full range of its activities. These are available to staff through MLKDC document management system. Staff are required to review the key policies and procedures annually. Senior managers and line managers identify additional training needs as part of the performance appraisal system. These needs are addressed throughout the year by MLKDC. During the period covered by this report, all staff have confirmed that they have read and understand these key policies and procedures.

The implementation of MLKDC's financial management process in 2016-17 included:

- The setting of the annual Resource and Capital budgets;
- Monitoring of actual expenditure against the annual budget;
- Three in-year monitoring reviews of the budget, reported to TEO;
- Setting and management of expenditure profiles;
- Reporting of MLKDC's financial position to the Board;
- A clearly defined system of expenditure authority delegations;
- Clear process for the authorisation of expenditure and the payment of invoices; and
- Managing risk in key financial service areas.

Risk Management

MLKDC's system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives.

Relevant internal control considerations, including any issues of risk, are taken into account with regard to the achievement of MLKDC's aims and objectives, and where necessary, are brought to the attention of TEO.

The system of internal control is based on an on-going process designed to:

- Identify and prioritise the risks to the achievement of MLKDC's aims and objectives;
- Evaluate the likelihood of those risks being realised and the impact should they be realised; and
- Manage them efficiently, effectively and economically.

MLKDC's policy is to pursue a structured approach to the management of risk in pursuit of business objectives. MLKDC's policy is to adopt good practices in the identification, evaluation and cost effective control of risks to ensure that they are eliminated, reduced to an acceptable level or managed and contained; and to embed risk management practices within management and planning activities.

MLKDC's risk appetite is defined as the amount of risk that the organisation is prepared to accept, tolerate or be exposed to at any point in time. At present, MLKDC assesses its risk appetite on the basis of an assessment of individual risks in the context of all other risks.

MLKDC's risk management policy sets out the process whereby MLKDC methodically identifies, assesses and responds to the risks attaching to its activities. It assigns responsibility and accountability for risk management; defines the processes for risk review and reporting; describes a format for the organisation's corporate risk register; and explains the organisation's approach to training in risk management.

To assist in the Risk Management Process, MLKDC has developed and maintained a Risk Register which is scrutinised through reports to the Audit and Risk Assurance Committee and the Board. The Risk Register:

- Identifies MLKDC's high level risks; and
- Analyses the risks related to the current Business Plan.

The Risk Register identifies the Risk Owner for each risk and reinforces the link between risk management and the business planning and execution processes. The Risk Register is reviewed by the SMT at its monthly meetings and, reported to the Corporation Board. All new business activities are assessed for key risks and controls put in place. It is also subject to regular scrutiny by the Audit and Risk Assurance Committee and the Board. Board members have the opportunity to identify and consider any emerging external risks/threats that could affect the MLKDC's capacity to deliver on its Business Plan commitments. The two key risks at present are driven by the absence of Ministerial agreement on a way forward for the site. This impacts directly on the Corporation's ability to deliver on its statutory objective to regenerate the site and budgets have been constrained accordingly.

No 'Ministerial Directions' have been issued to MLKDC.

There have been no lapses of protective security.

Fraud and Counter-Fraud

MLKDC's Policy and Procedures on Fraud (including MLKDC Whistle Blowing Policy and Guidance on Conflicts of Interest) sets out the responsibilities of staff with regard to fraud prevention, what staff should do if they suspect fraud and the action that will be taken by management in such circumstances (MLKDC Fraud Response Plan).

As part of its risk management strategy, the Corporation has drawn up a Fraud Risk Assessment (FRA). The purpose of the FRA is to identify potential fraudulent schemes and events that need to be mitigated. It identifies where fraud may occur and who the perpetrators might be. The control activities consider both the fraud scheme and the individuals within and outside the Corporation who could be the perpetrators of each scheme.

No instances of fraud have been identified in the reporting period.

Whistle Blowing

MLKDC Whistle Blowing Policy provides staff with a procedure for reporting concerns about unlawful conduct, fraud, dangers to the public or the environment, or other malpractice. The aim of this policy is to reassure them that they can feel confident in exposing wrongdoing without any risk to themselves.

No instances of whistle blowing have arisen during the reporting period.

Significant Governance Issues

As referred to above, the 2016-17 Business Plan has not been approved by Ministers. Thus the Corporation operated throughout the reporting period in the absence of Business Plan approval, which is considered to be a significant governance issue. However, steps have been taken to ensure TEO are content that MLKDC operate on the basis of the draft business plan objectives. It is considered that the action taken and demonstrated in this report is appropriate in the circumstances and that this mitigates the risk of irregularity. TEO are content with the approach taken by MLKDC.

Conformance with the Code of Conduct

MLKDC, like other public bodies, has a duty to conduct affairs in a responsible and transparent way, and to take into account the standards in public life set out by the Nolan Committee and DoF's '*Corporate Governance in Central Government Departments: Code of Good Practice NI 2013*'.

MLKDC is not a Central Government Department and cannot, therefore, comply with those parts of the code that are only applicable to such Departments. However, MLKDC's corporate governance arrangements have been established in such a way as to conform broadly to these standards. Except where noted below, and throughout the year ended 31 March 2017, MLKDC has complied with all relevant code provisions.

Following the principle of 'Comply or Report' the following paragraph describes where MLKDC has substituted alternative governance measures for provisions in the code of Good Practice:

- MLKDC does not have a Board Operating Framework (Para 2.8 of the code). Instead, it has Board Standing Orders and a Board Code of Conduct, which fulfil the same purpose.

Conclusion

As Accounting Officer, I have responsibility for reviewing the effectiveness of the system of internal governance. My review of the effectiveness of the system of internal governance is informed by the work of the Internal Auditors and senior staff within the organisation, who have responsibility for the development and maintenance of the internal control framework. I also consider the comments made by the NIAO in its management letter and other reports. I have been advised on the implications of the result of my review of the effectiveness of the system of internal control by the MLKDC Board and by the Audit and Risk Assurance Committee.

MLKDC has a rigorous system of accountability on which I rely, as Accounting Officer, to form an opinion on the probity and use of public funds, as detailed in MPMNI.

Having considered the operation of its governance framework, I am content that MLKDC has operated a sound system of internal governance during the period 1 April 2016 to 31 March 2017.

REMUNERATION AND STAFF REPORT

Remuneration Report

The remuneration and staff report sets out the Corporation's remuneration policy for staff employed by the Corporation, reports on how the policy has been implemented and sets out the amounts awarded to senior management.

Chairman and Board Members

The Chairman and Board Members are appointed by the sponsor department in accordance with the Code of Practice of the Office of the Commissioner for Public Appointments for Northern Ireland. The final decision on the appointments rests with Ministers. All appointments are made on merit and as directed in the Strategic Investment and Regeneration of Sites (NI) Order 2003 Schedule 1, 2(c) are, as far as practicable, representative of the community in Northern Ireland. The terms of appointment are up to five years for the Chairman and Board Members. The remuneration of the Chairman and Board is set by TEO. Increases are calculated in line with the recommendations of the Senior Salaries Review Body. There are no arrangements in place for the payment of a bonus. Neither the Chairman nor any Board Members receive pension contributions from MLKDC or TEO. MLKDC reimburses the Chairman and Board Members for any incidental expenses incurred for carrying out their duties relevant to the organisation.

The remuneration of the Chairman and Board Members is as follows (the information in the table below has been subject to audit):

Members	Salary	Benefits in Kind	Salary	Benefits in Kind
	2016-17 £'000	2016-17 £'000	2015-16 £'000	2015-16 £'000
Terence Brannigan	30	-	30	-
Kenneth Cleland	6	-	6	-
Anthony Gallagher ⁵	5	-	6	-
John Gallagher	6	-	6	-
Maurice Kinkead	6	-	6	-
Ciaran Mackel	6	-	6	-
Duncan McCausland ⁶	6	-	(FTE 6) 1	-
Joe O'Donnell	6	-	6	-
Conor Patterson	6	-	6	-
Terri Scott ⁵	5	-	6	-

⁵ Two members of the Board took a moratorium of salary for two months during the financial year.

⁶ Duncan McCausland returned to the Board on 01 January 2016 after a temporary period of absence from 01 July 2014.

Chief Executive and the Senior Management Team

The appointment of the Chief Executive is facilitated by use of an operational partnership agreement with SIB and all ongoing costs associated with the appointment, including defined contribution pension costs, are reimbursed to SIB.

The SMT appointments are made in accordance with MLKDC's recruitment policy and the Strategic Investment and Regeneration of Sites (Northern Ireland) Order 2003. This requires appointments to be made on merit on the basis of fair and open competition.

Service Contracts

Appointments are made in line with the Civil Service Commissioners' Recruitment Code, which requires appointment to be on merit on the basis of fair and open competition but also includes the circumstances when appointments may otherwise be made.

Unless otherwise stated below, the officials covered by this report hold appointments which are open-ended. Early termination, other than for misconduct, would result in the individual receiving compensation as set out in the Civil Service Compensation Scheme, or where seconded returned to their home organisation. Seconded staff are not entitled to compensation on early termination.

Further information about the work of the Civil Service Commissioners can be found at: www.nicscommissioners.org

Salary and Pension Entitlements (Audited Information)

The following sections provide details of the remuneration and defined pension benefit interests of the Senior Management Team:

Senior Management Team	Salary £'000	Benefits in Kind (to nearest £100)	Pension Benefits (to nearest £1000)	2016-17 Total £'000	Salary £'000	Benefits in Kind (to nearest £100)	Pension Benefits (to nearest £1000)	2015-16 Total £'000
Kyle Alexander <i>Interim Chief Executive</i> ^{7,8}	75-80 (FTE 100-105)	-	-	75-80	80-85 (FTE 100-105)	-	-	80-85
Neil McIvor <i>Director</i>	75-80	-	44	120-125	75-80	-	38	110-115
Alison Stafford <i>Director</i> ⁹	20-25 (FTE/FYE 50-55)	-	11	35-40	35-40 (FTE/FYE 50-55)	-	22	65-70
Ceara Ryan <i>Part Time Acting Director (to 10/03/17)</i>	25-30 (FTE/FYE 45-50)	-	-	25-30	10-15 (FTE/FYE 50-55)	-	-	10-15

⁷ Denotes Operational Partnership Agreement with SIB.

⁸ The Interim Chief Executive has been working on a part-time basis since October 2014 and has been remunerated accordingly.

⁹ The position of Director of Finance and Corporate Services was filled on a job share arrangement during part of this financial year.

Salary

'Salary' includes gross salary; overtime; reserved rights to London weighting or London allowances; recruitment and retention allowances; private office allowances and any other allowance to the extent that it is subject to UK taxation and any gratia payments.

Benefits in kind

The monetary value of benefits in kind covers any benefits provided by the employer and treated by HM Revenue and Customs (HMRC) as a taxable emolument. There were no benefits in kind provided in the year (2015-16, Nil).

Bonuses

MLKDC does not participate in a bonus scheme. Consequently no bonuses were paid in the year.

Fair Pay Disclosure (Audited Information)

Fair Pay Review Disclosure	2016-17	2015-16
Band of Highest Paid Staff Member Total Remuneration	£100k-105k	£100k-105k
Median Total Remuneration	£30,580	£28,841
Ratio	3.35	3.55

The table below has been included to show the annualised median remuneration and ratios excluding Board members in both the current and comparative years.

Fair Pay Review Disclosure	2016-17	2015-16
Band of Highest Paid Staff Member Total Remuneration	£100k-105k	£100k-105k
Median Total Remuneration	£49,679	£48,411
Ratio	2.06	2.12

The variation in the ratios is due to changes in the composition of the workforce.

Median Remuneration

MLKDC is required to disclose the relationship between the remuneration of the highest paid director in their organisation and the median remuneration of the Corporation's workforce.

The banded FTE remuneration of the highest paid staff member in MLKDC in the financial year 2016-17 was £100k-£105k (2015-16, £100k-£105k). This was 3.35 times (2015-16, 3.55) the median remuneration of the workforce, which was £30,580 (2015-16, £28,841).

In 2016-17, Nil (2015-16, Nil) employees received remuneration in excess of the highest paid staff member. FTE remuneration ranged from £5k to £103k (2015-16, £1.5k to £104k).

Total remuneration includes salary, non-consolidated performance-related pay, and benefits-in-kind. It does not include severance payments, employer pension contributions and the cash equivalent transfer value of pensions.

Pension Entitlements (Audited Information)

Ceara Ryan ¹¹ <i>Part Time Acting Director (to 10/03/2017)</i>	-	-	-	-	-	-

Northern Ireland Civil Service (NICS) Pension Arrangements

Pension benefits are provided through the Northern Ireland Civil Service pension schemes which are administered by Civil Service Pensions (CSP). Staff in post prior to 30 July 2007 may be in one of three statutory based 'final salary' defined benefit arrangements (classic, premium, and classic plus). These arrangements are unfunded with the cost of benefits met by monies voted by the Assembly each year. From April 2011 pensions payable under classic, premium, and classic plus are increased annually in line with changes in the cost of living. Prior to 2011, pensions were reviewed in line with changes in the Retail Prices Index (RPI). New entrants joining on or after 1 October 2002 and before 30 July 2007 could choose between membership of premium or joining a good quality 'money purchase' stakeholder arrangement with a significant employer contribution (partnership pension account). New entrants joining on or after 30 July 2007 are eligible for membership of the nuvos arrangement or they could have opted for a partnership pension account. Nuvos is a 'Career Average Revalued Earnings' (CARE) arrangement in which members accrue pension benefits at a percentage rate of annual pensionable earnings throughout the period of scheme membership. The current rate is 2.3%. CARE pension benefits are increased annually in line with changes in the cost of living.

¹⁰ Denotes not a member of Northern Ireland Civil Service Pension arrangements – member of defined contribution pension scheme operated by SIB.

¹¹ Denotes not a member of Northern Ireland Civil Service Pension arrangements

A new pension scheme, alpha, was introduced for new entrants from 1 April 2015. The majority of existing members of the NICS pension arrangements have also moved to alpha from that date. Members who on 1 April 2012 were within 10 years of their normal pension age will not move to alpha and those who were within 13.5 years and 10 years of their normal pension age were given a choice between moving to alpha on 1 April 2015 or at a later date determined by their age. Alpha is also a 'Career Average Revalued Earnings' (CARE) arrangement in which members accrue pension benefits at a percentage rate of annual pensionable earnings throughout the period of scheme membership. The rate will be 2.32%. CARE pension benefits are increased annually in line with changes in the cost of living.

Increases to public service pensions are the responsibility of HM Treasury. Pensions are reviewed each year in line with the cost of living. Any applicable increases are applied from April and are determined by the Consumer Prices Index (CPI) figure for the preceding September. The CPI in September 2016 was 1% and HM Treasury has announced that public service pensions will be increased accordingly from April 2017.

Employee contribution rates for all members for the period covering 1 April 2017 – 31 March 2018 are as follows:

Scheme Year 1 April 2017 to 31 March 2018:

Annualised Rate of Pensionable Earnings (Salary Bands)		Contribution rates – Classic members or classic member who have moved to alpha		Contribution rates – All other members	
From	To	From 01 April 2017 to 31 March 2018		From 01 April 2017 to 31 March 2018	
£0.00	£15,000.99	4.6%		4.6%	
£15,001.00	£21,422.99	4.6%		4.6%	
£21,423.00	£51,005.99	5.45%		5.45%	
£51,006.00	£150,000.99	7.35%		7.35%	
£150,001.00 and above		8.05%		8.05%	

Benefits in classic accrue at the rate of 1/80th of pensionable salary for each year of service. In addition, a lump sum equivalent to three years' pension is payable on retirement. For premium, benefits accrue at the rate of 1/60th of final pensionable earnings for each year of service. Unlike classic, there is no automatic lump sum (but members may give up (commute) some of their pension to provide a lump sum). Classic plus is essentially a variation of premium, but with benefits in respect of service before 1 October 2002 calculated broadly as per classic.

The partnership pension account is a stakeholder pension arrangement. The employer makes a basic contribution of between 8% and 14.75% (depending on the age of the member) into a stakeholder pension product chosen by the employee.

The employee does not have to contribute but where they do make contributions, the employer will match these up to a limit of 3% of pensionable salary (in addition to the employer's basic contribution). Employers also contribute a further 0.5% of pensionable salary to cover the cost of centrally-provided risk benefit cover (death in service and ill health retirement).

The accrued pension quoted is the pension the member is entitled to receive when they reach pension age, or immediately on ceasing to be an active member of the scheme if they are at or over pension age. Pension age is 60 for members of **classic**, **premium**, and **classic plus** and 65 for members of **nuvos**. The normal pension age in alpha will be linked to the member's State Pension Age but cannot be before age 65. Further details about the NICS pension arrangements can be found at the website: www.finance-ni.gov.uk/topics/working-northern-ireland-civil-service/civil-service-pensions-ni.

Cash Equivalent Transfer Values

A Cash Equivalent Transfer Value (CETV) is the actuarially assessed capitalised value of the pension scheme benefits accrued by a member at a particular point in time. The benefits valued are the member's accrued benefits and any contingent spouse's pension payable from the scheme. A CETV is a payment made by a pension scheme or arrangement to secure pension benefits in another pension scheme or arrangement when the member leaves a scheme and chooses to transfer the benefits accrued in their former scheme. The pension figures shown relate to the benefits that the individual has accrued as a consequence of their total membership of the pension scheme, not just their service in a senior capacity to which disclosure applies. The CETV figures, and from 2003-04 the other pension details, include the value of any pension benefit in another scheme or arrangement which the individual has transferred to the NICS pension arrangements. They also include any additional pension benefit accrued to the member as a result of their purchasing additional years of pension service in the scheme at their own cost. CETVs are calculated in accordance with The Occupational Pension Schemes (Transfer Values) (Amendment) Regulations 2008 and do not take account of any actual or potential benefits resulting from Lifetime Allowance Tax which may be due when pension benefits are taken.

Real increase in CETV

This reflects the increase in CETV effectively funded by the employer. It does not include the increase in accrued pension due to inflation, contributions paid by the employee (including the value of any benefits transferred from another pension scheme or arrangement) and uses common market valuation factors for the start and end of the period. However, the real increase calculation uses

common actuarial factors at the start and end of the period so that it disregards the effect of any changes in factors and focuses only on the increase that is funded by the employer.

Compensation for Loss of Office (Audited Information)

No member of the SMT received compensation for loss of office in the current year (2015-16, Nil).

Payments to Past Directors (Audited Information)

Payments amounting to £12,431 were made to David McCavery. While this position of Director is not being filled David McCavery has provided professional support on a call off basis as and when required.

STAFF REPORT

Staff Numbers and Related Costs (Audited Information)

Staff costs comprise:

	Permanently Employed Staff £'000	Others £'000	2016-17 Total £'000	2015-16 Total £'000
Wages and salaries	199	328	527	491
Social security costs	23	15	38	35
Other pension costs	47	15	62	67
Sub Total	269	358	627	593
Less recoveries in respect of outward secondments	(97)	(5)	(102)	(86)
Total net costs	172	353	525	507

Pension Costs

The Northern Ireland Civil Service (NICS) pension schemes are unfunded multi-employer defined benefit schemes but MLKDC is unable to identify its share of the underlying assets and liabilities. The most up to date actuarial valuation was carried out as at 31 March 2012. This valuation is then reviewed by the Scheme Actuary and updated to reflect current conditions and rolled forward to the reporting date of the DoF Superannuation and Other Allowances Annual Report and Accounts as at 31 March 2017.

For 2016-17, employers' contributions of £47k were payable to the NICS pension arrangements (2015-16 £46k) at one of three rates in the range 20.8% to 26.3% of pensionable pay, based on salary bands. The scheme's Actuary reviews employer contributions every four years following a full scheme valuation. A new scheme funding valuation based on data as at 31 March 2012 was completed by the Actuary during 2014-15. This valuation was used to determine employer contribution rates for the introduction of alpha from April 2015. For 2017-18, the rates will range from 20.8% to 26.3%. The contribution rates are set to meet the cost of the benefits accruing during 2016-17 to be paid when the member retires, and not the benefits paid during this period to existing pensioners.

Employees can opt to open a partnership pension account, a stakeholder pension with an employer contribution. Employers' contributions of £0 (2015-16, £0) were paid to one or more of the panel of three appointed stakeholder pension providers. Employer contributions are age-related and range from 8% to 14.75% (2015-16 3% to 14.7%) pensionable pay. Employers also match employee contributions up to 3% of pensionable pay. In addition, employer contributions of £0, 0.5% (2015-16 £0, 0.5%) of pensionable pay, were payable to the NICS Pension schemes to cover the cost of

the future provision of lump sum benefits on death in service and ill health retirement of these employees.

Contributions due to the **partnership** pension providers at the reporting period date were £0 (2015-16, £0). Contributions prepaid at that date were £0 (2015-16, £0).

Staff employed in the Corporation through an Operational Partnership Agreement with the Strategic Investment Board (SIB) are not members of Northern Ireland Civil Service Pension arrangements, they are members of a defined contribution pension scheme operated by SIB. For 2016-17 the employers' pension contributions reimbursed to SIB was £9k. (2015-16, £10k).

Ill-health Retirement

No individuals retired early on ill-health grounds, (2015-16, 0 persons); the total additional accrued pension liabilities in the year amounted to £0 (2015-16, £0).

Average Number of Persons Employed (Audited Information)

The table below shows the average number of whole time equivalent (WTE) persons employed during the year which includes 1.6 WTE senior civil service staff (or equivalent):

	Permanent Staff	Others	2016-17 Total	2015-16 Total
Directly employed	2	2	4	5
Other	-	3	3	3
Total	2	5	7	8

MLKDC Staffing Statistics

The table below shows MLKDC staff broken down by gender:

	2016-17			2015-16		
	Male	Female	Total	Male	Female	Total
Board Members	9	1	10	9	1	10
Senior Managers	2	1	3	2	1	3
Others	6	4	10	5	5	10
Total	17	6	23	16	7	23

Note the above is based on total numbers employed, whereas the table stating the average number employed does not include the Board Members and is based on full time equivalent (FTE).

Absence Management

Staff attendance is actively managed, and the organisation's absence rate for the 2016-17 year was 0.6 days (2015-16: 2.6 days). The average within the NI Civil Service for 2016-17 was 12.5 days (2015-16: 11.7 days).

Consultancy

MLKDC did not incur any expenditure on consultants during the year 2016-17 (2015-16, Nil).

Civil Service & Other Compensation Schemes – Exit Packages (Audited Information)

There have been no exit packages agreed or paid in the current year (2015-16, Nil).

Staff Policies

MLKDC has an equal opportunities policy and is committed to a policy of equality of opportunity in its employment practices and aims to ensure that no actual or potential job applicant or employee is discriminated against, either directly or indirectly, on the grounds of gender (including gender reassignment), marital or civil partnership status, disability, race, religious or political opinion, age, having or not having dependants and sexual orientation. MLKDC is an Equal Opportunities Employer and all applications for employment are considered strictly on the basis of merit.

The recruitment policy sets out that applicants are given the opportunity to advise MLKDC of any reasonable adjustments that they may require. MLKDC policies are screened for equality impact assessment in line with the commitment in MLKDC's equality scheme approved by Equality Commission Northern Ireland (ECNI) in December 2013.

In accordance with commitments outlined in the Corporation's Equality Scheme, all staff have received training on their duties in relation to Equality. This consists of an overview of the legislation, the complaints mechanism attaching to Section 75, and the practical steps that have already been taken to meet the statutory duties.

Employee Development and Communication

MLKDC is committed to the development of its staff through setting annual objectives, reviewing performance and identifying areas for training and development. The suite of policies that the organisation has enables staff to perform effectively in their roles and contribute to the delivery of the objectives of the organisation. Staff are regularly communicated with through one to one interactions and team meetings.

Off-Payroll Engagements

There were no off-payroll engagements within the reporting threshold during the year (2015-16: Nil).

ASSEMBLY ACCOUNTABILITY AND AUDIT REPORT

The Assembly accountability and audit report brings together the key Assembly accountability documents within the annual report and accounts.

ASSEMBLY ACCOUNTABILITY DISCLOSURES

Regularity of Expenditure

Losses and Special Payments (Audited Information)

MLKDC has experienced no losses and has made special payments in respect to one personal injury claim during the financial year as follows:

- Personal Injury Compensation £2,100;
- Compensation Recovery Unit £453; and
- Claimant's legal costs £2,286.

Remote Contingent Liabilities (Audited Information)

There were no contingent liabilities requiring disclosure under assembly reporting requirements. MLKDC had no significant remote contingent liabilities for the year ended 31 March 2017 that require disclosure.

Dr Bryan Gregory
Interim Chief Executive and Accounting Officer

08 December 2017

MAZE LONG KESH DEVELOPMENT CORPORATION

THE CERTIFICATE AND REPORT OF THE COMPTROLLER AND AUDITOR GENERAL TO THE NORTHERN IRELAND ASSEMBLY

I certify that I have audited the financial statements of the Maze Long Kesh Development Corporation for the year ended 31 March 2017 under the Strategic Investment and Regeneration of Sites (Northern Ireland) Order 2003. The financial statements comprise: the Statements of Comprehensive Net Expenditure, Financial Position, Cash Flows, Changes in Taxpayers' Equity; and the related notes. These financial statements have been prepared under the accounting policies set out within them. I have also audited the information in the Remuneration and Staff Report and the Assembly Accountability Disclosures that is described in that report as having been audited.

Respective responsibilities of the Accounting Officer and auditor

As explained more fully in the Statement of Accounting Officer's Responsibilities, the Accounting Officer is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. My responsibility is to audit, certify and report on the financial statements in accordance with the Strategic Investment and Regeneration of Sites (Northern Ireland) Order 2003. I conducted my audit in accordance with International Standards on Auditing (UK and Ireland). Those standards require me and my staff to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Maze Long Kesh Development Corporation's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Maze Long Kesh Development Corporation; and the overall presentation of the financial statements. In addition I read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my certificate.

I am required to obtain evidence sufficient to give reasonable assurance that the expenditure and income recorded in the financial statements have been applied to the purposes intended by the Assembly and the financial transactions recorded in the financial statements conform to the authorities which govern them.

Opinion on regularity

In my opinion, in all material respects the expenditure and income recorded in the financial statements have been applied to the purposes intended by the Assembly and the financial transactions recorded in the financial statements conform to the authorities which govern them.

Opinion on financial statements

In my opinion:

- the financial statements give a true and fair view of the state of the Maze Long Kesh Development Corporation's affairs as at 31 March 2017 and of the net expenditure for the year then ended; and
- the financial statements have been properly prepared in accordance with the Strategic Investment and Regeneration of Sites (Northern Ireland) Order 2003 and The Executive Office directions issued thereunder.

Opinion on other matters

In my opinion:

- the parts of the Remuneration and Staff Report and the Assembly Accountability disclosures to be audited have been properly prepared in accordance with The Executive Office directions made under the Strategic Investment and Regeneration of Sites (Northern Ireland) Order 2003; and
- the information given in the Performance Report and the Accountability Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which I report by exception

I have nothing to report in respect of the following matters which I report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the parts of the Accountability Report to be audited are not in agreement with the accounting records; or
- I have not received all of the information and explanations I require for my audit; or
- the Governance Statement does not reflect compliance with Department of Finance's guidance.

Report

I have no observations to make on these financial statements.

The notes on pages 47 to 59 form part of these accounts.

NOTES TO THE ACCOUNTS

1. Statement of Accounting Policies

These financial statements have been prepared in accordance with the 2016-17 *Government Financial Reporting Manual (FReM)* issued by DoF. The accounting policies contained in the FReM apply International Financial Reporting Standards (IFRS) as adapted or interpreted for the public sector context. Where the FReM permits a choice of accounting policy, the accounting policy which is judged to be most appropriate to the particular circumstances of the Maze Long Kesh Development Corporation (MLKDC) for the purpose of giving a true and fair view has been selected. The particular policies adopted by MLKDC are described below. They have been applied consistently in dealing with items that are considered material to the accounts. The accounts direction is reproduced as an appendix to these financial statements.

1.1 Accounting Conventions

These accounts have been prepared under the historical cost convention modified to account for the revaluation of property, plant and equipment, and intangible assets.

1.2 Adoption of New and Revised Standards

Management has reviewed new accounting standards that have been issued but are not yet effective, nor adopted early for these accounts. Management consider that these are unlikely to have a significant impact on the accounts in the period of initial application.

1.3 Property, Plant and Equipment

Expenditure on property, plant and equipment of £1,000 or more is capitalised. On initial recognition, assets are measured at cost including any costs directly attributable to bringing them into working condition. All property, plant and equipment is reviewed annually for impairment and is carried at fair value. Land and buildings are stated at their fair value based on annual professional valuation as at the end of the financial year.

Other non-property assets are deemed to be short-life or low value assets and are therefore valued on the basis of depreciated replacement cost, using appropriate indices to account for the effects of inflation, as an approximation of fair value. Additions and subsequent expenditure are capitalised only when it is probable that the future economic benefits associated with the asset will flow to MLKDC and the cost of the asset can be measured reliably.

1.4 Depreciation

Freehold land and assets under construction are not depreciated. Depreciation is provided on a straight line basis in order to write-off the valuation of other assets, less estimated residual value, of each asset over its expected useful life, or lease period if shorter. Depreciation and amortisation is charged in the month of acquisition. The following useful economic lives should, where necessary, be used as approximations to the levels estimated annually. The base useful lives of assets, which are reviewed regularly, are as follows:

Asset Type	Base Useful Lives
Freehold buildings	25 years
Furniture, fixtures and fittings	10 years
Computer equipment (including software and website development)	4 years
Plant and machinery	10 years
Motor vehicles	4 years

1.5 Assets under Construction

Assets under construction (AUC) are valued at cost less any impairment loss. Cost includes professional fees and other directly attributable costs necessary to bring the asset into use. AUC are capitalised but not depreciated until brought into use.

1.6 Revaluation of Land and Buildings

Land and buildings are revalued every year with the surplus or deficit on book value being transferred to the revaluation reserve. The only exception is where a deficit in excess of any previously recognised surplus over depreciated cost relating to the same property, is charged to Net Expenditure. On disposal of an asset which has been previously revalued, the gain or loss recorded in the Statement of Comprehensive Net Expenditure (SoCNE) is based on the net carrying amount rather than the historical cost. Any previously revalued amounts are realised and transferred to the General Reserve account as a reserve movement.

1.7 Non-current Assets Held for Sale

Non-current assets are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition. Management must be committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

1.8 Intangible Assets

Acquired intangible assets such as software and software licences for internal recording and reporting systems, are measured initially at cost, using appropriate indices to account for the effect of inflation, as an approximation of fair value. These assets are amortised on a straight line basis over their estimated useful lives of 3 to 5 years. The minimum level of capitalisation is £1,000.

1.9 Impairment of Tangible and Intangible Assets

At each year-end, MLKDC reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such an indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). The recoverable amount is the higher of the fair value less costs to sell, and value in use. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount.

1.10 Financial Instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A financial instrument is recognised when, and only when, the entity becomes a party to the contractual provisions of the instrument. A previously recognised financial asset is derecognised when, and only when, either the contractual rights to the cash flows from the asset expire, or the entity transfers the asset such that the transfer qualified for derecognition. A financial liability is derecognised when, and only when, it is extinguished.

MLKDC has financial instruments in the form of trade receivables and payables and cash and cash equivalents.

In accordance with IAS 39 Financial Instruments: Recognition and Measurement trade receivables, cash and other receivables are classified as 'loans and receivables'. Loans and receivables are initially measured at fair value and are subsequently measured at amortised cost using the effective interest method less any impairment.

MLKDC assesses at each Statement of Financial Position (SoFP) date whether there is any objective evidence that a financial asset or group of financial assets classified as loans and receivables is impaired. Based on historic experience receivables that are past 'due beyond 361 days' are generally not recoverable.

1.11 Trade and Other Receivables

Trade receivables are recognised and carried at original invoice amount less an allowance for any uncollectable amounts. Provision is made where there is objective evidence that MLKDC will not be able to recover balances in full. Balances can only be written off when non-recovery is considered certain and after the appropriate approvals have been granted.

1.12 Cash and Cash Equivalents

Cash and cash equivalents comprises cash and demand deposits with commercial banks. As at each year-end, the carrying value of cash and cash equivalents approximates their fair value due to their short term nature.

1.13 Taxation (including Value Added Tax)

As MLKDC does not have Crown exemption it is liable to corporation tax when due.

Value Added Tax (VAT) is accounted for in accordance with Statement of Standard Accounting Practice 5. MLKDC cannot recover input VAT so all expenditure, assets and liabilities are shown inclusive of VAT. Any income subject to VAT is shown net.

1.14 Trade and Other Payables

Trade and other payables are measured at cost.

1.15 Provisions

MLKDC makes provisions for liabilities and charges where, at the SoFP date, a legal or constructive liability exists (i.e. a present obligation from past events exists), where the transfer of economic benefits is probable and a reasonable estimate can be made. Where the time value of money is material, MLKDC discounts the provision to its present value using the real rate set by HM Treasury (currently between -2.7% and -0.8% depending on when the cash flow occurs).

1.16 Financing from TEO

Financing represents net funding received from TEO and is credited to the general reserve.

1.17 Income

Income is accounted for on an accruals basis, in accordance with Managing Public Money Northern Ireland (MPMNI) as well as DoF and Sponsor Department guidance.

In accordance with the Financial Memorandum income from operating activities represents:

- Income from outward secondments of staff; and
- Receipts from license agreements and recharges from on-site tenants.

Income from operating activities is further classified into two categories, Seconded Income and Other Income.

1.18 Expenditure

Expenditure comprises general running costs, salary costs, internal project support costs, external consultancy, professional services, maintenance project costs and advertising and publicity costs. These components are defined under the programme budgetary framework, as agreed with TEO and accounted for on an accruals basis.

1.19 Pensions

Present and past employees are covered by the provisions of the Principal Civil Service Pension Scheme (Northern Ireland) (PCSPS (NI)), which is a defined benefit scheme and is unfunded. MLKDC recognises the expected cost of providing pensions on a systematic and rational basis over the period during which it benefits from employees' services by payment to the PCSPS (NI) of amounts calculated on an accruals basis.

All pension contributions are charged to the SoCNE when incurred.

1.20 Contingent Liabilities

In addition to contingent liabilities disclosed in accordance with IAS 37, MLKDC discloses for Assembly reporting and accountability purposes certain statutory and non-statutory contingent liabilities where the likelihood of a transfer of economic benefit is remote, but which have been reported to the Assembly in accordance with the requirements of MPMNI.

Where the time value of money is material, contingent liabilities which are required to be disclosed under IAS 37 are stated at discounted amounts and the amount reported to the Assembly separately noted. Contingent liabilities that are not required to be disclosed by IAS 37 are stated at the amounts reported to the Assembly.

1.21 Employee Benefits

IAS19 requires that the cost of employee benefits that have been earned but not paid at the year-end is recognised as a liability. An accrual for the estimated cost of total employee annual leave at the year-end has been included in the Accounts.

1.22 Going Concern

There are currently no plans to dissolve the Maze Long Kesh Development Corporation (MLKDC). It is therefore appropriate to prepare the 2016-17 accounts on a going concern basis.

2. Statement of Operating Costs by Operating Segment

The operating segments and related activities of the five Directorates within MLKDC are:

- Chief Executive (Ch Exe) - Organisation strategy and direction;
- Finance and Corporate Services (F&CS);
- Development (Dev) – MLKDC site development;
- Social Regeneration (Soc Reg); and
- Communications.

Information is reported to the Chief Executive through Senior Management Team and other meetings, as well as through the Board and Committee structure. There is no difference between information in the statement of operating costs by operating segment and the primary financial statements. Any transactions between reportable segments are accounted for on an accruals basis. There is no change from prior year segment identification methods. There is no reliance on any major customers.

Analysis of Land and Property Balance (Net Book Value):

Land and property was re-valued by Land and Property Services at 31 March 2017 on the basis of current value in existing use. Management considers this basis as the best available estimation of fair value.

Plant and equipment were valued using indices.

5. Property, Plant and Equipment (continued)

	Land £'000	Buildings £'000	Plant & Machinery £'000	Fixtures & Fittings £'000	Transport Equipment £'000	Assets under Construction £'000	Total £'000

Asset financing:		
Owned	7	7
Carrying amount at 31 March 2016	7	7

7. Financial Instruments

As the cash requirements of MLKDC are met through Grant-in-Aid provided by TEO, financial instruments play a more limited role in creating and managing risk than would apply to a non-public sector body. The majority of financial instruments relate to contracts to buy non-financial items in line with MLKDC's expected purchase and usage requirements and the organisation is therefore exposed too little credit, liquidity or market risk.

8. Impairments

	2016-17 £'000	2015-16 £'000
Fixed asset cost/valuation impairment	-	147
Fixed asset depreciation impairment	-	(22)
Fixed asset valuation impairment	-	-
	<u>-</u>	<u>125</u>

9. Assets Held for Sale

	2016-17 £'000	2015-16 £'000
At 1 April 2016	49	-
Transfers in from non-current assets	-	49
Sale of Asset	49	-
At 31 March 2017	<u>-</u>	<u>49</u>

The asset held for sale at 31 March 2016 consisted of 4.90 acres of land approved for sale to the Royal Ulster Agricultural Society (RUAS) through the development agreement which was signed with RUAS on 7 November 2013. This land was sold to RUAS on 1 January 2017 for £91,585 and treated as a Consolidated Fund Extra Receipt (CFER) in 2016-17.

10. Cash and Cash Equivalents

	2016-17 £'000	2015-16 £'000
Balance at 01 April	302	471
Net change in cash and cash equivalent balances	(105)	(169)
Balance at 31 March	<u>197</u>	<u>302</u>

The following balances at 31 March were held at:

Commercial banks and cash in hand	197	302
Balance at 31 March 2017	<u>197</u>	<u>302</u>

11. Trade Receivables and Other Current Assets

	2016-17 £'000	2015-16 £'000
Amounts due within one year:		
Other receivables	8	2
Prepayments and accrued income	8	9
	16	11

12. Trade Payables and Other Current Liabilities

	2016-17 £'000	2015-16 £'000
Amounts falling due within one year:		
Accruals and deferred income	180	282
VAT	5	9
	185	291

13. Provisions for Liabilities and Charges

There were no provisions for liabilities and charges in the current year (2015-16, Nil).

14. Related-party Transactions

MLKDC is a Non Departmental Public Body (NDPB) of TEO. TEO is regarded as a related party. During the year, MLKDC has had various material transactions with TEO as shown below. At the year-end, MLKDC also had an outstanding balance with TEO.

	2016-17 £'000	2015-16 £'000
Grant in Aid from TEO	1,489	1,527
Secondment & other fees to TEO	33	68
Creditors (due to TEO)	8	1

Strategic Investment Board (SIB) is also a NDPB of TEO. MLKDC and SIB are regarded as related parties. During the year, MLKDC had various material transactions with SIB as shown below.

	2016-17 £'000	2015-16 £'000
Fees paid to SIB	123	120
Creditors (due to SIB)	-	11

Register of Interests

The Chairman, Board members, Chief Executive and Senior Management Team are required to register all interests, direct or indirect, which members of the public might reasonably think could influence their judgment. The register of interests is available for public inspection by contacting MLKDC, 94 Halftown Road, Lisburn, BT27 5RF.

Transactions involving Chief Executive and Senior Management Team

There were no material related party transactions involving the Chief Executive and Senior Management Team during the year.

Transactions involving Board Members

Transactions with related parties are conducted on an arm's length basis. The purchase of goods and services are subject to normal tendering processes and the organisation's procurement policy, which complies with DoF guidelines. All proposals and transactions are approved in line with the delegation policies approved by TEO.

During the year, the following payments (inclusive of VAT where applicable and aggregate value in excess of £1k) were made to companies/organisations related to Board members:

- Duncan McCausland is an SIB Board Member
- SIB received £123k from MLKDC for services supplied during the financial year.

The following balances were owed to companies/organisations related to Board members:

- MLKDC owed SIB Nil at 31 March 2017.

15. Events after the reporting period

There have been no significant events since the reporting period date that would affect these accounts.

Date of authorisation for issue

The Accounting Officer authorised the issue of these financial statements on 14 December 2017.

Accounts Direction

ACCOUNTS DIRECTION GIVEN BY THE EXECUTIVE OFFICE (TEO) (FORMERLY THE OFFICE OF THE FIRST MINISTER AND DEPUTY FIRST MINISTER (OFMDFM)) IN ACCORDANCE WITH SECTION 13(1) OF THE GOVERNMENT RESOURCES AND ACCOUNTS ACT (NORTHERN IRELAND) 2001 AND THE STRATEGIC INVESTMENT AND REGENERATION OF SITES (NI) ORDER 2003

1. This direction applies to the Maze/Long Kesh Development Corporation (MLK DC).
2. MLK DC shall prepare accounts for the period ended 31 March 2013, and subsequent financial years, in compliance with the accounting principles and disclosure requirements of the extant edition of the *Government Financial Reporting Manual* ("the FReM").
3. The accounts for MLK DC shall be prepared so as to:
 - (a) give a true and fair view of the state of affairs as at 31 March 2013, and subsequent financial years, and of the income and expenditure, (or, as appropriate, net resource outturn), changes in taxpayers' equity and cash flows of the Company for the financial year then ended; and
 - (b) provide disclosure of any material expenditure or income that has not been applied to the purposes intended by the NI Assembly or material transactions that have not conformed to the authorities which govern them.
4. Compliance with the requirements of the FReM will, in all but exceptional circumstances, be necessary for the accounts to give a true and fair view. If, in these exceptional circumstances, compliance with the requirements of the FReM is inconsistent with the requirement to give a true and fair view, the requirements of the FReM should be departed from only to the extent necessary to give a true and fair view. In such cases, informed and unbiased judgement should be used to devise an appropriate alternative treatment which should be consistent with both the economic characteristics of the circumstances concerned and the spirit of the FReM. Any material departure from the FReM should be discussed in the first instance with TEO (formerly OFMDFM).
